Section 2.3. Effectiveness of Membership. A Household's membership shall become effective upon payment of the membership fee as specified in Article III hereof. Membership shall automatically terminate upon removal of residence from the area or non-payment of dues.

Section 2.4. Good Standing. A Household that satisfies the criteria of this Article II and has paid its membership fee pursuant to Article III shall be deemed to be a "Member in Good Standing."

Section 2.5. Associate Membership. Associate membership may be offered to persons who do not reside within the boundaries of Stratford Landing, and therefore do not qualify for regular membership in the Association. Associate membership will be offered with the following restrictions in place:

- a. Associate members will be required to pay an annual membership fee, as defined in Article III: Membership Fee.
- b. Associate members may not serve as members of the Executive Committee or as Representatives to the MVCCA.
- c. Associate members are not granted a vote in the same manner as regular members during the Annual Meeting nor any Special Meetings nor in any Referendums.

- d. The Executive Committee may set limits on other regulations on associate membership.

ARTICLE III: Membership Fee

Section 3.1. Amount of Membership Fee. Association membership fees shall be established and published by the Executive Committee, and be assessed per Household, and shall be payable annually.

Section 3.2. Time and Manner of Payment. Membership fees shall become due annually on the commencement of the Association's fiscal year, and payment must be made prior to the commencement of the Annual Meeting.

ARTICLE IV: Meetings, Voting, Quorum, and Referendum

Section 4.1. Annual Meeting. The annual meeting of the Association for the election of members of the Executive Committee and for other purposes shall be held on a weekday evening during the last two weeks of October or as soon as practicable thereafter.

Section 4.2. Special Meetings.

- a. *Generally.* The Executive Committee may call a special meeting of the membership at any time for any purpose upon notification of the members as provided in Section 4.4 hereof.
- b. *Upon Request of the Membership.* Subject to Section 4.8 below, the Executive Committee shall call a special meeting upon receipt of a written petition requesting such a meeting signed by not less than ten percent (10%) of the Members in Good Standing at the time the petition is submitted to the Executive Committee.
 1. Such petition shall state with particularity the purpose for the requested meeting and a proposed date and time for the meeting.
 2. The Executive Committee shall schedule the requested special meeting at a time, within its discretion, that is reasonably proximate to the date proposed in the petition, giving due consideration to such factors as, without limitation, the time-sensitivity of the subject matter, the need to verify the tendered signatures, and the publication date of the next Association newsletter to provide adequate advance notice of the meeting to the membership, provided, however, that in no event shall the date established for the requested special meeting be later than one month after the date upon which the valid petition was submitted to the Executive Committee.

Unless otherwise specified in the Meeting Notice, upon completion of action by the membership on the subject matter for which the special meeting was called, no new business may be raised or entertained.

each meeting of the membership. The notice shall be published in the Association's newsletter not fewer than seven days prior to the date of the meeting in question and shall specify the date, time, and location of the meeting and, in the case of special meetings pursuant to Section 4.2., the purpose of the meeting.

Section 4.4. Voting. The right to vote at all meetings of the Association shall be afforded only to Members in Good Standing, as defined in Section 2.4 above, subject to the following:

- a. *Manner of Voting.* Voting on all matters requiring the action of the membership shall be by Household, with each Household entitled to cast only one vote. Subject to Section 6.4, voting shall be conducted using voting cards issued to each Member, or by such other method calculated to ensure accurate tabulation as the Secretary, in consultation with the Executive Committee, may designate.
- b. *Proxies.* A member in good Standing may be represented at any meeting by proxy.
 1. *Requirements.* The proxy shall be in writing, signed by a representative of the Household, and shall designate by name the individual authorized to vote on the member Household's behalf (the "Proxy Holder") and the scope of the Proxy Holder's authority (e.g., to act on all matters, or any specified matter).
 2. *Construction.* Unless otherwise specified within the document itself, a proxy will be assumed to: (A) grant the Proxy Holder complete authority to exercise the vote represented by the proxy according to his/her judgement, and (B) remain effective only for a single meeting, whether general or special, and to terminate upon the adjournment thereof.
 3. *Limitations.* To hold a proxy for a member in good Standing, the Proxy holder (A) must be the voting representative of a Household that is itself a member in Good Standing; and (B) may not hold the proxy for more than three other Members in Good Standing.
 4. *Treatment of Defective Proxies.* A proxy that is defective for failure to satisfy the provisions of subparagraph 1 hereof shall not be valid for any purpose. A proxy that is defective only because it fails to satisfy the requirements of subparagraph 3 shall not be valid for voting but may be counted for the purpose of determining whether a quorum exists pursuant to Section 4.7 hereof.

Section 4.5. Meeting Procedures. Roberts' Rules of Order shall govern the proceedings of meetings when there is business transacted, except as modified by Sections 4.6 and 4.7 hereof.

Section 4.6. Preliminary Matters and Certification of Quorum, Order of Business.

- a. *Preliminary Matters and Certification of Quorum.* Prior to the Call to Order of the Annual or any Special Meeting, the Secretary and the Chairperson of the Membership Committee shall:

4. Issue appropriate instruments of voting to such Members (e.g., voting cards or a ballot forms); and
5. Notify the President of the total number of Members in Good Standing present in person or by proxy at the meeting.

Upon completion of the foregoing procedures, the President of the Association shall publicly notify all persons present concerning the eligibility criteria for voting at the meeting and shall afford a brief period for any unregistered members to come forward to be recorded. Thereafter, the President shall certify whether or not a quorum exists.

b. Order of Business B Annual Meeting. The order of business at the annual meeting for the election of officers shall be as follows:

1. Call to order.
2. Reading and approval of minutes of previous regular meeting and any special meeting.
3. Report of Treasurer.

Section 4.8. Referendum in Lieu of Special Meeting. In lieu of a Special Meeting, and subject to the provisions of this Section 4.8, the Executive Committee may call for a referendum of the membership on any issue. The following shall govern the conduct of all such referenda:

- a. *Notice.* The Executive Committee shall promptly notify the membership of the referendum by a special notice that shall be delivered either by mail or hand-carried by the Block Captains. Where a referendum is called in close proximity to the publication date of the Association newsletter, the notice may be included in such newsletter, provided, however, that in such event a “Notification of referendum” and the deadline for the return of ballots shall appear prominently on the front page of such newsletter to alert members that the newsletter contains time-sensitive materials that require immediate attention. The referendum notice shall contain the following:
 1. A clear and concise statement of the question(s) presented for consideration;
 2. A narrative that clearly and in reasonable detail (a) describes the context and reason for the referendum; (b) sets forth the relevant arguments on each side of the issue; and, (c) explains the consequences, respectively, of a vote in favor of, and a vote against, the question presented (i.e., what action, if any, the Executive Committee expects to take in response to either outcome); and
 3. The ballot the member is to use to cast its vote, which shall clearly and prominently display the deadline by which the ballot must be returned in order to be considered valid.
- b. *Ballots.* The Secretary, subject to the approval of the Executive Committee, shall develop procedures to ensure the authenticity and individuality of ballots and prevent the possibility of multiple votes being cast by any member.
- c. *Minimum Return Necessary for Validity.* Consistent with Section 4.8 hereof, a referendum shall not be considered valid for any purpose unless at least ten percent (10%) of the Members in Good Standing shall have cast and returned ballots on the question presented. Proxies shall not be used.
- d. *Threshold Required for Action.* Subject to the foregoing subparagraph c, a simple majority of votes cast will constitute action by the membership except in the case of amendments to these by-laws or changes in the membership fee as to which Sections 9.1 and 3.3 shall respectively apply.

ARTICLE V: Executive Committee

Section 5.1. On all matters except those otherwise specified herein to require the action of the membership, authority to manage the affairs of the Association will rest with the Executive Committee.

The President may appoint the chairperson of any such committee who, in turn, with the concurrence of the President, may select members to serve on the committee. The chairmanship of such a special committee will not entitle the holder to vote with the Executive Committee.

Section 5.7. Election. An election of the Officers and Standing Committee Chairpersons shall be conducted annually at the Annual Meeting of the Association described in Section 4.1. Each such elected member of the executive Committee shall take office upon the adjournment of the Annual Meeting at which the election was conducted and shall serve until the next annual election or until a successor is elected.

Section 5.8. Removal of Members of the Executive Committee.

- a. ***Elected Members.*** Any officer or the chairperson of any Standing Committee may be removed from service for willful malfeasance or nonfeasance or incapacity to perform the duties of the position. Such removal shall require the affirmative vote of not fewer than five (5) of the elected members of the Executive Committee, none of whom may be the member who is the subject of the removal vote. Section 5.9. Compensation. No officer or other member of the Executive Committee shall receive any compensation for performing the duties of his office.

Section 5.10. Meetings and Quorum.

- a. *Generally.* The Executive Committee shall meet once each month, except in August, at a uniform time and place, provided, however, that any such meeting may be suspended or canceled when, in the view of the President and majority of the elected members, exigent circumstances (including the lack of any business requiring action) warrant it.
- b. *Special Meetings.* In addition to the regular meetings, the President may call a special meeting of the Executive Committee when, in his discretion, he determines such a meeting is necessary to dispose of pressing business.
- c. *Quorum.* At any of its meetings, the presence of a majority of the elected members of the Executive Committee shall constitute a quorum.
